

# Harrow Lodge Primary School's

## Stars of the Week Newsletter 6.7.2023

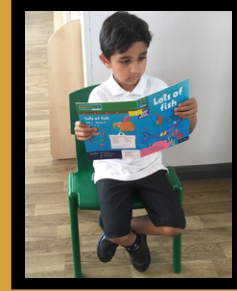

R1

Ruby for creating a beautiful splash picture after a lengthy discussion on the festival Holi.

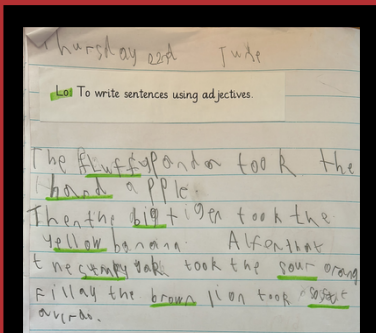

R2

Rohan for the excellent understanding of the books that he reads. Rohan can predict what he thinks might happen next, when reading.

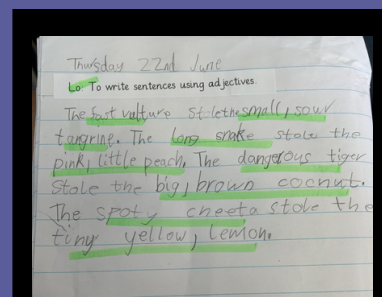

1A

Ifeh for writing sentences using exciting adjectives. Well done!

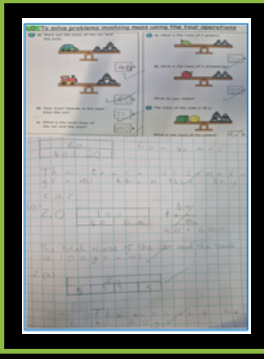

1B

Aria, for writing fantastic sentences including adjectives separated by a comma.

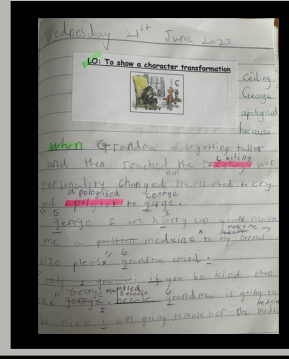

2A

Jake for his excellent maths work on using bar models to solve problems involving mass.

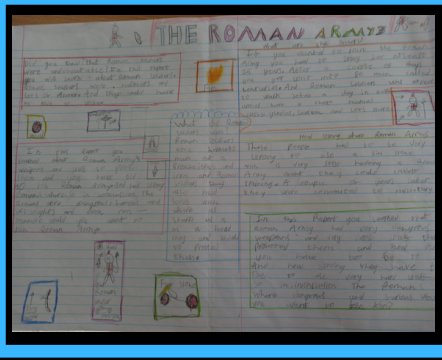

2B

Halimat for showing a character's transformation, using subordinating conjunctions.

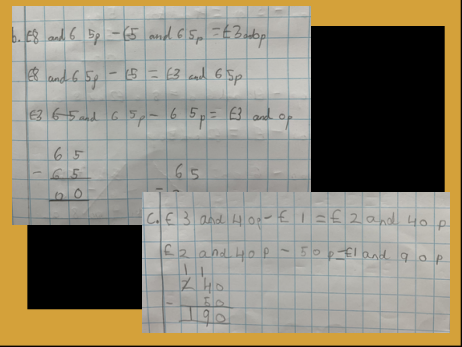

3A

Ollie for his non-chronological report about the Roman Army

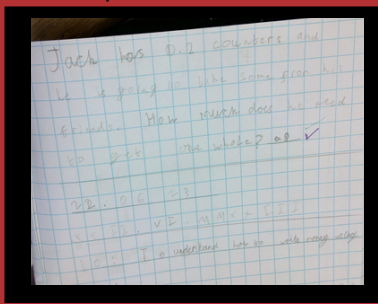

3B

Riaadh and Mabel, for working hard to use the methods that they know to subtract money.

4A

Olobo for showing his understanding of decimal numbers to create a whole by creating a worded problem to challenge his partner with.

4B

Amanda, for thinking carefully in DT about how different mechanisms are used in machinery.
