### Weekly News

Dear Parents and Carers,

As the dreaded testing season begins, we've had an interesting week. Here are the highlights:

- KS2 SATs have been the focus of the week as our Y6 children finally faced the much anticipated tests. We thought the grammar test was particularly hard but that was followed by a pretty fair reading test. The maths tests, on the other hand, were fair tests of maths but so wordy that you had to have a high reading level to access the questions which I think is pretty unfair. But, as we say every year, all schools are in the same boat so we'll just have to wait and see how things work out. Well done to all our Y6 children - it's always a tough and stressful week.
- 3B spent today in London at the Tate Modern Art Gallery. The art in our school is second to none. Mrs Bracken leads the art curriculum with flair and expertise and she trains the teachers to deliver expert and imaginative lessons that bring out the inner artist of every child. As part of our Personal Development enrichment program, we're very keen for our children to experience a visit to an Art Gallery so Mrs Bracken planned a trip to the Tate Modern for Year 3. At the time of writing, they still haven't returned but the excitement was barely contained before they left - I wonder if they realise that you should only whisper in an Art Gallery????
- As you know OPAL (Outdoor Play And Learning) is taking off at school and your donations have been pouring in for which we are so grateful. Some of the most important pieces of play equipment for OPAL are tyres and we've had a steady influx of them over the last few days. Of course, we need to wash them before we can let your children loose on them so, on Thursday, we had some volunteers to help us clean them all. A massive thank you to Mr & Mrs Smith and Mr Healey for all your help - the children will adore playing with these next week.
- Still on the theme of sourcing resources for the school, we discovered that Dunelm in Romford were launching a summer campaign in which they would support the most popular nominated local schools with any resources they might need for the summer. They introduced a voting system to find the 3 most popular schools.

- Well, Facebook nearly exploded with the number of schools that were nominated by parents or staff and the number of votes that were made which came to over 15,000 I believe. This was a competition like no other with the votes clearly on display and we were minor players being one of the smaller schools taking part. However, you rallied round as usual and we did seem to be in with a chance of coming in at third place with the big Ardleigh Green and Parklands well out of our reach. But Crowlands was clearly in fighting mode and they came up pretty fast on our heels until we there were just 9 votes between us in the high 300s. That's when we sent out the first request for votes and you didn't disappoint but there was a steady increase in every school's votes until it was an absolute frenzy to the finish line. Once the end date was announced, we found ourselves fighting for survival - that's when we sent out the second plea for votes and that's when I became aware that a posse of parents and myself were simply not ready to raise the white flag and we were all chasing every single person we knew, knew through a friend or had just met on the street and asking them to vote for us. Your children fed and bathed themselves that night, doodling in bed before lights off because you (and me!) were glued to your phone drumming up votes from as far away as Australia, America and the Cayman Isles. Tuesday night was a sleepless one as we watched our votes soar but so did Crowlands and there was some very dubious goings on by Clockhouse!! Finally, on Wednesday we were announced as the winners with over 1000 votes with Crowlands and Clockhouse coming in second and third. I might be on my own here but I was more excited watching these campaign votes play out than I was watching the Eurovision song contest voting!!!! A huge thank you to all of you who voted and got your friends, acquaintances and bin-men to vote for us - it was a lovely moment to feel us all pull together as one! We are a force to be reckoned with and we are firmly on the map now courtesy of Dunelm 😂
- This week, we've also been putting our Music Showcase together which has been quite a challenge amidst SATs testing, lunchtime hall use and visits out so next week will be full on trying to pull all the performers together in some semblance of order!!
- Meanwhile, our Willow class have continued to make us smile as they made animal hats and animal pictures as they learned all about animals!

- EYFS have been demonstrating their empathy and compassion this week when one of their class injured themselves and it was relayed to the teacher as this, “Oh no! Miss Goodwin, you must come quickly! One of our school family is hurt! She needs you - she’s hurt and crying!” Let’s hope they never lose that caring attitude.
- A shout out to Alex (5A) who has used his own pocket money to donate a box of chucks and a box of toy cars from our wish list for use at playtime. I’m so proud of our children. They are proving to be such good, upstanding citizens.
- And that brings us to the end of the this week’s newsletter. It just remains for me to wish you a wonderful, restful weekend and I leave you with this thought:

**“The best teamwork comes from people who are working independently toward one goal in unison.”**

(Dunelm campaign?????)

With kind regards and best wishes,

Mrs Searle

Thank you to the parents who have already ordered items from our Amazon wishlist. It really is like Christmas when we get a parcel arriving with goodies!

If you would still like to get something from our wish list please use the link below:

The next area we would like to develop is a doll area so we are collecting baby dolls, baby doll accessories, Barbies or any other dolls or accessories that children can play with.

We are still collecting together wheeled items for our Wheely Wednesdays so if you have any unwanted scooters, bikes, trikes, skateboards, pushchairs, walkers etc we will gladly take them off your hands.

Please put any donations in the drop box in the parent foyer.

Thank you for your continued support,

Ms M Clarke

# Presentation Award

This weeks presentation award goes to Idris in 2B

The next day, Garygoles thought of an ingenious  
way to solve his problem. He decided to seek some <sup>more</sup> <sup>ideas</sup> <sup>from</sup> <sup>his</sup> <sup>class</sup> <sup>and</sup> <sup>ask</sup> <sup>them</sup> <sup>for</sup> <sup>advice</sup>.  
and an endless list of strong, scaly, monster and  
pre-historic animals. Tom was feeling rather nervous  
and <sup>worried</sup> <sup>about</sup> <sup>the</sup> <sup>idea</sup>. He <sup>eventually</sup> <sup>decided</sup> <sup>to</sup> <sup>try</sup> <sup>it</sup>. Thank you Garygoles.  
All this driving me apples will make that monster  
and driving apples and I can't wait to see what  
happens. <sup>Later</sup> <sup>that</sup> <sup>day</sup>, Tom went to the back  
and <sup>he</sup> <sup>left</sup> <sup>his</sup> <sup>smoothie</sup> <sup>unattended</sup>. <sup>Immediately</sup>  
the monster was awakened and felt sick and  
disappointed <sup>in</sup> <sup>the</sup> <sup>idea</sup>. Tom happily <sup>put</sup> <sup>the</sup> <sup>apple</sup> <sup>in</sup> <sup>the</sup> <sup>smoothie</sup>  
and <sup>he</sup> <sup>drank</sup> <sup>the</sup> <sup>smoothie</sup> <sup>and</sup> <sup>over</sup> <sup>the</sup> <sup>smoothie</sup> <sup>was</sup> <sup>again</sup>.  
I really enjoyed reading your story Idris  
Will do 😊
